

Yorganza Winter Scarf & Muff

Instructions

Yorganza Winter Scarf By Vicky Turek

Finished Measurements

Scarf measurers 5" wide x 50" long (approx.)

Materials

- 2 – 100g (32 yd) Skeins of Sullivans USA Yorganza (100% polyester) Animal Print.
- Size 10 US needles
- Sewing needle, sewing thread to match.

Gauge is not critical for this project.

Instructions

Pick up 7 sts as follows: insert needle tip into the first hole on the top of the ribbon fabric. Weave the tip from back to front through next 7 holes (7sts on the needle).

Row 1: Insert RH needle into the last hole placed on the LH needle (as if to knit a st). Place next hole in fabric on the RH needle tip and pull the fabric through the hole on the LH needle (completing the knit st). Knit all stitches across the row in this manner. Turn.

Row 2 and all rows: Work as for row 1. Always turn the needle in the same direction after completing a row. Continue until scarf reaches desired length or until remaining ribbon fabric has at least 7 holes for casting off.

Last Row: Cast off all stitches by pulling the remaining fabric through the last stitch.

Finishing

To finish sew the fabric end using your sewing needle and thread.

Yorganza Winter Muff By Vicky Turek

Finished Measurements

Scarf measurers 9" x 25" long (approx.)

Materials

- 2 – 100g (32 yd) Skeins of Sullivans USA Yorganza (100% polyester) Animal Print.
- Size 10 US needles
- Sewing needle, sewing thread to match.

Gauge is not critical for this project.

Instructions

Pick up 14 sts as follows: insert needle tip into the first hole on the top of the ribbon fabric. Weave the tip from back to front through next 14 holes (14sts on the needle).

Row 1: Insert RH needle into the last hole placed on the LH needle (as if to knit a st). Place next hole in fabric on the RH needle tip and pull the fabric through the hole on the LH needle (completing the knit st). Knit all stitches across the row in this manner. Turn.

Row 2 and all rows: Work as for row 1. Always turn the needle in the same direction after completing a row. Continue until scarf reaches desired length or until remaining ribbon fabric has at least 14 holes for casting off.

Last Row: Cast off all stitches by pulling the remaining fabric through the last stitch.

Finishing

Now you will need to sew the cast off row to the bottom side of the first row, to do this you need to lay piece flat and fold the bottom ruffle up so that you can see the bottom of the cast on row. Using your sewing needle and thread attached the bottom and top of piece to give the piece the round shape of a muff. Once you have sewing the top and bottom together unfold ruffle and your muff is done.
